to Hear Rockwell!

“Yes, but why do you use that awful Swastika and the name ’Nazi 1 ?”

I have heard that question thousands and thousands’of times* It is predictable* E v e r y 11 me somebody finally realizes what it is we are doing* why we are doing it and how successful we are getting at doing it* they are suddenly struck with what they are sure is an absolutely orierl

Below is reproduced an editorial from the daily newspaper at the University of Kansas after 1 spoke there Last week* There have been thousands of piec es written, of course, about the dozens of speeches I have been making at schools* colleges and to discussion groups around the country* But this one REVEALS more than any of the others I have seen*

George Lincoln Rockwell has given KU studenis a very misleading impression of himself. In his speech Thursday afternoon, he said virtually nothing about the real backbone of his program tv rid America of it's "undesirable elements" (Negroes and Jews) and wipe out everyone's number one enumv, communism.

IN A 45-MINUTE talk with reporters before hh speech, the Nazi leader rambled on and on about the ideas he and his Storm Troopers scream about in the streets and mutter over on their way Ip jail, He seemed to have a wordy opinion about everything and anything, was never at a loss for Something lo Say. and Spouted fistfuls of unlikely fact. The documents to verify the claims he made were, unfortunately, somewhere else at the moment.

Speaking at the Kansas Union, he forgot his campaign and settled down to tho task of wedging his foot inside the college student's mind, not unlike the Fuller Brush man attempting to squeeze past (he front d«or. His humble decision to pass up an opportunity to pteach Nasi doctrine, in lavm of providing insight into his methodology and tactics, left a solid impression of only one thine: avoidance o! the issues.

YES, MR, ROCKWELL, it s a fine idea to be moic determined about whatever it is we're most interested In No, we don't need to ignore the possible 1 Presidential candidates just because they a ton'i extremists. nary citizens, people who want facts and practical solutions, not emotional ranting*.

Ho knew the students would Hock to hear what they thought would bo a lull-scale harangue with Swastika and alt* and his decision to appear as calm and rational as possible seemed to have the hoped-for effect. Those who had come to jeer and

shout him down found themselves, instead, laughing nervously at harmless little anecdotes about life, in the Navy, voodoo dancing girls and General Mac Arthur's letter writing habits. The pickett-rs might as well have paraded outside a Girl Scout meeting,

HIS MESSAGE was that you can "change attitudes by emotional engineering;" but his method proved that lack of emotion, when emotion is most expected, can have an equally dramatic effect. There is no doubt about it. he knows how to get the most out of a speaking situation. A random sample of student opinion afterward found no one really very much against Hock well, but no one very much for him either. Before the speech, most of these young men and women probably held rather skeptical opinions about the man and what he stands for.

The seed of doubt was planted. The idea that maybe he isn't so bad after all began to grow. His pm pose was accomplished- He whitewashed a bad image. never touching tho real reasons Chancellor Wescoc made it a point to say before hand that George Lincoln Rockwell "has nothing to offer," That comment is still valid,

Last month, after much hard work, Commander Rockwell managed to place his name on the ballot in the New Hampshire presidential primary* Pressure was brought on the news media, and the result was an almost complete blackout of the fact that an American Nazi had actually won a place on a presidential primary t

Nevertheless, enough news leaked through to inform the public of this great victory for the Party c No sooner had we gotten on the ballot when the New Hampshire State At-* torney General called a special hearing to investigate the activities of the Party and lo determine if we were “subversive 11 * The Party has come to expect all sorts of intimidation and pressure each time we score a blow against the enemy*

The investigation turned out to be a blessing in disguise;, The hearing gave us a state-wide platform from which to reach the-people of New Hampshire with our ideas proving we are not “subversive” as the Jews always claim* Still, the Jews were not giving up* With his name officially on the ballot, Commander Rockwell received assurances from major TV networks covering five states in New England, that he would be permitted to buy TV time “like any other candidate”* Here was a golden opportunity to use the enemy’s own

weapon against himself* Realizing that a catastrophe they faced, the Jews landed with full force. First, to avoid giving voters a clear choice between Commander Rockwell and Lyndon Johnson (the only two candidates running as “democrats”), Senator Harry Byrd, staunch conservative from Virginia was immediately placed on the same ticket to draw votes away from the Commander 3

Next, enormous pressure was brought against New Hampshire voting officials and they were forced to search through our papers with a “fine tooth comb”, finally they found a cheap excuse to disqualify the Commander and remove his name from the ballot on a “technicality”, Solely for lack of funds, a situation we face all the time, we were unable to obtain legal aid to prevent these dirty and unfair tactics A good lesson has been learned from the New Hampshire campaign* We must remember that in this struggle, we can expect practically anything from the enemy Removal of the Commander’s name from the ballot is a small loss compared to the overall accomplishment in reaching the hearts and minds of millions of New Englanders whom we would not have reached otherwise*

For a short while we did manage to place the Commander, a Nazi, on the ballot in a United States presiConiinued Rage 17

■Beats Arrest, Starts Tour

In mid-February, Commander Rockwell spoke before 1,500 students at Long Island's Hofstra University in spite of threats by the city of New York to have him arrested with a warrant issued back in 1960 for "disorderly conduct". The warrant was issued after a riot occurred in the rotunda of the New York Supreme Court when 200 Jews shouting "Kill himl Kill him!" tried to attack the Commander while he was giving a TV interview. The Hofstra campus came under heavy attack by dozens of Jew groups seeking to prevent the Commander's appearance. The largest police security detachment in Nassau's history was on campus to prevent trouble, but no warrant or arrest materialized. After the speech, Commander Rockwell left for a seven-state speaking tour t States and colleges in which he spoke included: Colorado State University;

By now, race-mixers have come to expect the extraordinary from the American Nazi Party* In Annapolis, Maryland, Troop Leader Chris Bailey, in full Nazi uniform hurtled into Annapolis on a black Harley Davidson motorcycle- On his back he wore a sign: “Who needs niggers?”

People watched, almost hypnotized, as Bailey buzzed up and down the main streets of Annapolis* Niggers shrieked! Liberals stood by,

with mouths wide open, helpless as the American Nazi Party once again stole the show and dramatically came to the defense of the White people of Maryland*

Bailey was finally stopped but it took a twenty-man police blockade, lined up across the entire main street to stop him,

Bailey was taken in for questioning but not arrested* He refused to answer any questions from nigger cops* Bailey’s reply to them was complete silence* He really bugged the boogie cops* When White officers as ked Bailey questions—he responded immediately with respect and courtesy*

As a result of the appearance of oiir Nazi on wheels, a sudden halt and an indefinite “moratorium 11 on all demonstrations was declared by nigger leaders*

With such good results, we have only one more thing to say to all race-mixing agitators: Beware * * * our Nazi on wheels may be visiting your town next!

Two Women Pregnant After Homosexual Act

Two women became pregnant as a result of homosexual involvement with each other, Dr. Marcus S. W. McBroom reported in the Journal of the National Medical Association (Vol. 55, No. 4). In reporting the finding, Dr. McBroom said: One of the women readily agreed to become the “wife” of a “dear” older woman friend. “However,” he continued, “on several occasions she would make attempts at heterosexual adjustment. On one of these sojourns when she was ‘drinking heavily’ she permuted her closest male friend, a musician, to make love to her,” She returned home to her woman “husband” and during their union “unknowingly passed semen to her.” Shortly afterwards both discovered themselves to be pregnant, Dr. McBroom concluded.

Nazis on the Ballot Continued from Page 7

dential primary s This was virtually impossible several years ago. When we get enough money and the legal aid, as we will, we will keep him on the ballot next time!

More and more Nazi candidates will begin to appear on ballots across the nation*

In this struggle, we will lose many battles * B 0 but we will win the war! Every time we attack the enemies of our race, we gain a little

more ground and come that much closer to victory than we did in our last attack.

Even George Washington did not win all of his battles. But, he stuck with it and continued to attack, and he eventually won the war! Ours is not a struggle made up of continuous victories, We have a long, hard road ahead of us, Jailings, beatings and even death await some of us. We are moving ahead ,, fl fl steadily towards our goal and when we reach it, all the sacrifices will have been worth it.

Commander Rockwell continued

If the reader he one of those who still doubts the wisdom of using the Swastika, let him ask himself if I would have ever been invited to speak at all at the University of Kansas—or any of the other schools and colleges —were I not a terrible "Nazi", I was a common, garden variety "conservative" and McCarthyite for about eight years* Nobody ever gave a damn about our "truths" and our hand wringing* We met weekly in a sort of cellar and exchanged frustrations and groans over the way Communism and race-mixing were sweeping over the world and our beloved America, When I first saw "The First National Directory of Rightist Organizations and Individuals", I counted the number of "conservative", "right-wing", "anti-Communist" and "anti-racemixing" organizations listed as existing

THERE ARE NOW OVER ONE THOUSAND OF THESE "NICE" ANTI-COMMUNIST, ANTI-RACE

MIXING ORGANIZATIONS! And,

except for the Kirch Society, L-iliy James Hargis, Fred Schwartz and H* L, Hunt (all of whom have millions of dollars at their disposal), not one American in tho us and s ever even heard of these w ell - me an ing but pitiful right-wing organ izati ons .

Surely every intelligent rightwinger must recognize that we cai>not win unless we somehow are able to win over the vast masses of America—labor, youth and the" common ordinary people who have right-wing INSTINCTS but never go to rightwing meetings or read right-wing literature.

And surely every reasonable person will agree that you can't reach people unless those people have at least HEARD of you*

I have before me the regular magazine put out by Billy James Hargis' Christian Crusade* On page

18 of the issue for February and March 1964, Mr* Hargis happily announces his schedule of speeches for the month of March.

EVERY SINGLE SPEECH FOR EVERY SINGLE DAY IS BEFORE PEOPLE WHO ARE ALREADY RIGHT-WINGERS I

Now this is no attack on Mr* Hargis* I have had a personal talk with this gentleman and am convinced that he is sincere, although absolutely unenlightened as to what must be done to win political power in this country {winning over the masses — not right-wingers)*

But I must point out that the right wing will spend hundreds of thousands of dollars supporting Mr* Hargis to tell these right-wingers all over America what they already know* He will collect what would be for us fantastic sums at EACH meeting*

Rut Mr* Hargis will net reach the brain-washed "liberal", niggerloving youth of our nation, nor will he reach pinko and Communist labor-* ing masses who are new listening V and following the Jews*

"Put he is doing good!", exclaim most right-wingers, angrily *

I agree* He is doing good* And I believe he is basically sincere* Rut, on the inside back cover of the same magazine, Mr* Hargis advertises his new book, The Far Left, which has a Chapter Four entitled "Allies of the Communists—Nazis, Fascists and Splinter Git ups" i!

While Mr* Hargis is speaking all over California this m c n t h to RIGHT-WING groups, 1 have been facing thousands and thousands of the most rabid, brain-washed and, in some cases, dangerous, young LEFTISTS, pro-Communists, Communists and race-mixers who are

swarming in our colleges and make up the majority of the student bodies.

Not only that, but the arrival of a full-fledged "NAZI" on these campuses FORCES the Jews and pinko news editors to report my speech extensively* Often the speeches are carried live on TVI Everywhere, I draw the largest crowds ever drawn on the c a m p u s e s because we are CONTROVERSIAL ! Many of the youths come, perhaps, to see the "bloodshed" or to see me arrested or to see the riot. It doesn't matter. They come. And

the same with the TV audiences. If you heard that a full-blooded “NAZI” was to appear on your local TV, would YOU not watch, fascinated with at least curiosity? Of course you would* And that T s exactly what happens* MILLIONS of people who would pay no attention to a more “conservative’ 1 right-winger, are fascinated, like birds before a snake, by a Nazi*

In short, the “Nazi” technique not only smashes the Jew “silent treatment” or “quarantine”, it is simply too tempting and intriguing for millions of young students to resist. At the same time, Billy James Hargis is speaking to right - wing audiences of people who already know what he is preaching and believe It, 1 will be around the country preaching, all alone in most cases, to audiences of LEFT-WING youth in our colleges and universities who come, not to a right-wing rally, but come, perhaps, to hate me, jeer me or even worse* But it doesn’t matter*

The editorial above shows the inevitable result*

The rest of the right wing keeps talking to ITSELF and putting up millions of dollars to do it* We keep reaching the ENEMY —the young Gentiles by the millions who are misled by the filthy, Jewish propaganda of liberalism, Communism, race-mixing, pronography and ail the rest*

I recommend that, at this point, you re-read that editorial by an obviously liberal young German white

mail at the University of Kansas, It simply drips with disappointment, dread and hatred of a man who has completely loused up the Liberal and Communist Jew lies that Nazis are wicked and evil persons*

The liberals are “hoist by their own petard”* Their own lies have caught them up* They preach “free speech”. The young students believe them* So, when a Nazi comes along, in addition to the Communists, they feel actually duty-bound to invite the Nazi to speak* {They - do not invite people like Billy James Hargis because he simply is not RADICAL enough, revolutionary enough.)

Not only do they invite me, often in stark horror, but they listen with an intensity I can feel when I first step into the auditorium. They have been taught by the Jews that I will rage and rant with bloody fangs and flaming, crazy hatred.

When I speak to them reasonably, personably and with quiet force, the emotional conditioning which has been given them by the Jews BACKFIRES! Before their very eyes, these liberal kids who have heretofore been helpless under the flood of Jew propaganda, suddenly see that the Jews, liberals, professors, etc*, have been LYING to them*

I am NOT a raving, insane monster* I do NOT preach wild, unreasonable hate and bigotry* I do NOT advocate the violent or any other kind of overthrow of our government but its protection* I do NOT "hate" all Negroes or Jews* I present to the students—and to the millions on television, the deadly FACTS about Jewish treason, race-mixing, pronography, rotten "art", etc* I get the audience of students actually laughing at the decadence and rottenness of our Jew-poisoned society. They can f t help themselves when I, for instance, point out that the queers of America now have a lobby, the "Mattachine Society", which is trying to outlaw regular sex. Continued

While the vast audience is almost hypnotized with the drama and excitement of being addressed by a "Nazi", 1 present to them the documented _facts and the proof that Communism and race-mixing are Jewish and that it is not the right wing which is preaching "hate"—it is the leftwing, the Jews, the Communists and the rabid nigger leaders who are spreading "hatred" against our White Christian American Republic*

Let the reader consider that we have successfully done this now at the universities of Colorado, Kansas, Virginia, Maryland, Minnesota; the universities of Chicago, George Washington University, American University, Colorado State University, Shimer College, Rocky Mountain State University, Hofstra University, and many others* As I dictate this, I have 16 more invitations all over the country pending]

None of this is to boast* I report it here mostly because it is not reported (courtesy of the Jews) in the national press*

But more important, I report this because it is a matter of life and death that we reach the minds and hearts of the millions and millions of young people and the ordinary working men—labor—in America,who are now at the complete mercy of Jewish, Communist, race-mixing propaganda* These people are never; never, never

reached by right-wing rallies nor by

right-wing "literature"* These young people and the laboring masses simply WILL NOT READ "right-wing literature" nor do they go to rightwing "rallies"* Look around you at the next right-wing rally you attend* See if it is not mostly older people whom you have seen at a hundred other right-wing rallies*

Our country cannot be saved because we cannot win national power to do anything effective with nothing but the older generation, which is mostly right-wing* WE NEED THE MASSES OF YOUNG PEOPLE AND LABOR—AND THE MASSES OF

YOUNG PEOPLE AND LABOR ARE MONOPOLIZED AND DOMINATED BY JEWISH, COMMUNIST, ZIONIST RACE-MIXING PROPAGANDA*

To reach these masses which we need to win power, we must find some "sugar-coated" INTERESTING method of reaching these young minds and these closed minds*

Not only does the Swastika and the "Nazi" approach get us i nvited to the colleges and other brain-washed groups, but it sets up an emotionalconditioned reflex in which we have nothing to lose and everything to gain*

Reflect back on how YOU yourself learned the "score"* Did you not first begin to DOUBT? Certainly I did* Most of us learned what is happening to our country and who is doing it by first beginning to doubt the Jew propaganda poured into our heads 24 hours a day* To be rescued from these lies, the first step is to begin to DOUBT*

Now Look again at the plaintive editorial by the student newspaper at the University of Kansas* Notice the phrase "the seed of doubt was planted"]

I respectfully submit to my fellow patriots all over the country that, regardless of objections to our methods, that that is one of the highest accolades it is possible for us to win*

With our “terrible” Swastika and “Nazi” approach, the enemy himself- admits that I was able to plant “the seed of d o u b t” which leads eventually to understanding and salvation, in the minds of thousands and thousands of young people who have been taught to hate patriotism, hate their race, hate their Constitution, and hate everything about White, Western, Christian Civilization* I tell them where they can find the FACTS* And the records at every college where I have spoken show that the students almost literally STORM the libraries fighting for the

books I recommends Often the Jews and Reds at the universities actually take these books out of their libraries: but this makes the students all the more eager to read the books*

In the midst of constant financial crisis amounting almost to catastrophe* mutinies, attacks by almost everyone else in the right wing, miserable living conditions and the fact that I must walk into these college mobs alone because we can never afford transportation for anyone to go with me, 1 shall continue to these other 16 colleges and universities from San Francisco and New Hampshire * We shall

continue to fight for, and win places on the ballot* Sooner or later we will purchase TV time, in spite of all the Jews can do*

And at every step, the very sign and name so feared and cursed by

our fellow right-wingers is our strength and our weapon*

The Swastika and our reputation for courage In attacking our enemies brings out huge mobs of the brainwashed, the ignorant, the nigger lovers, the peace creeps and the “mistaken” as H, U Hunt calls them* It brings them hushed and highly suggestible into the auditorium where they have invited me to speak* And we are, little by little, all over America, winning back our youth to understanding of race and the Jewish problem and old fashioned love of our White Christian Constitutional American Republic.
